**Super Express**

All nylon cord body that is strong and rugged. Proven design with excellent resistance to rib tear. Available in tube type or tubeless large truck sizes. High mileage compounding eliminates tread cracking.

**HDT Bias**

Shoulder slot design and thin crossbars for increased traction, cool running and even wear. A wide flat base gives improved recappability and reduced shoulder build-up time.

**Trailer Tires****Trailer & Mobile Home Tires**

Advanced tubeless design for use on small to medium sized trailers. Bias ply construction for extra support and superior handling.
