

Playa del Carmen

About the Area

Playa del Carmen, located in the Riviera Maya is known worldwide as a perfect tropical paradise for travelers eager to explore beyond their hotel room. This incredibly beautiful destination has become the ideal spot for all types of visitors. The area brings together many aspects which are difficult to encounter in any one place on the planet.

The most beautiful beaches of the Mexican Caribbean, visitors who travel from all over the globe come to the Riviera Maya to sunbathe, spa, swim, dive, golf, shop, travel to the nearby ruins of Tulum or further to Coba or Chichen Itza, visit eco-parks, fish, walk, bike, nap, visit Isla Mujeres or take a day trip by ferry to Cozumel. By night, the beaches quiet down (with a few exceptions) and the nightspots come alive. Enjoy a variety of dining, drinking and shopping at night all along 5th Avenue -- the pedestrian walkway that runs parallel to the beach and offers block after block of restaurants, bars and boutiques. Unlike the high-rise hustle and bustle in nearby Cancun, Playa del Carmen is a cultural treasure made up of small, independent communities that are still laid-back and exist in harmony with nature.

About the Resort

Returning to the Riu family of resorts for the second year, our home away from home will be the Riu Yucatan. We'll have deluxe accommodations surrounded by over 43,000 square yards of fertile gardens. This beachfront resort includes exchange privileges at 3 nearby partner properties (Riu Playacar, Riu Tequila, and Riu Lupita), which means more variety of food and entertainment for us. In addition, we will be only a short distance to golf, the famous 5th Avenue walkway and Xcatet Park. "Mexican Street" is located next door to the resort and features a gym, medical center, hairdressers, spa, shopping and popular discos.

More information regarding the hotel will follow.
